

LWWG MEMBERSHIP 2014

	2012	2013	2014	2015
Regular members	30	36	25	9
E-members	33	59	38	4
X members	26	22	21	

Reminders for renewal of membership were sent out via email in Oct. 2014.

The challenge to obtain accurate data will persist unless there is a way to ensure all membership applications and payment of fees are consistently communicated to the person in charge of memberships.

The maintenance and updating of the membership lists on EXCEL should reside with the membership director and copies sent out in pdf format to ensure accuracy of data.

As of the 2014/2015 membership year, each member is assigned a number as their receipt is issued by electronic means. There are no longer membership cards.

Membership Director
